NOELLE & SOPHIA

Noelle has been with HBP since the beginning 17 years ago, and while she is stepping back from teaching weekly because of the arrival of Baby #2, she will remain part of the HBP Family forever and will pop in to teach the Thurs Pop Up Workshop occasionally.

Sophia has been teaching and directing the Crew at HBP for 7 years and we now have to let her move on to the next phase of her life which includes moving out of town. We are so happy for her. You can catch her in the Pop Up Workshop as well.

A flyer for the Dance Tumbling Fall Session 2023. It features a black and yellow color scheme with images of dancers. The text includes: "DANCE TUMBLING", "Fall Session 2023", "SATURDAYS", a schedule table, session prices, drop-in price, dates, and a registration link.

COMPANY AT NATIONALS

Company competed at Act 1 Nationals in Palm Desert in June. And although the Overall Awards, rehearsals, classes and pool party were fun.... the biggest take away was the energy they felt when they left the stage knowing that they had done their very best and given it their all. And they felt supported by each other and enjoyed working with dancers from other studios. What a great way to end the season!
